Job Description

Approved by: HR

- Review medication for therapeutic effectiveness, appropriate to patient needs and in accordance with evidence-based practice and national and practice protocols, and within scope of practice.
- Work with patients in order to support compliance with, and adherence to, prescribed treatments.
- Provide information and advice on prescribed or over the counter medication, medication regimes, side effects and interactions.
- Support patients to adopt health promotion strategies that promote healthy lifestyles, and apply principles of self-care.
- Implement and participate in vaccination programmes for both adults and children.
- Utilise and demonstrate sensitive communication styles, to ensure patients are fully informed and consent to treatment.
- Recognise and work within own competence and professional code of conduct as regulated by the NMC.
- Produce accurate, contemporaneous and complete records of patient consultation, consistent with legislation, policies and procedures.
- Prioritise, organise and manage own workload in a manner that maintains and promotes quality.
- Deliver care according to NSF, NICE guidelines and evidence based care.
- Maintain and control injectable and oral drug stocks in the treatment room and surgery.
- Advise manager regarding health and safety aspects. Pathological specimens and investigatory procedures.
- Undertake the collection of pathological specimens, including intravenous blood samples, swabs, smears, etc.
- Oversee the duties undertaken by the HCA and assist with training and mentoring as and when required.
- Prioritise own workload and ensure effective time management strategies are embedded within the culture of the team.
- Ensure accurate notes of all consultations and treatments are recorded adequately on the computer.
- Assist in the formulation of practice philosophy, strategy and policy.
- Maintain a notice board in the waiting area designated for patient health care and education.
- Attend and participate in any Practice meetings when required.
- Any other delegated duties appropriate to the post

Special Requirements of the Post

- An understanding, acceptance and adherence to the need for strict confidentiality
- Ability to use own judgment, resourcefulness and common sense
- A commitment to maintain a high professional standard of nursing care and keep up to date with all aspects of nursing care relevant to the post
- A commitment to ensure all Health and Safety requirements and Infection Control measures are met and to report any problems to the practice manager
- A commitment to the effective use of practice and NHS resources
