We are seeing an increase in cases of measles in Birmingham and Solihull. This holiday season, please be aware of measles symptoms, including:

- a high temperature
- a runny or blocked nose
- sneezing
- a cough
- red, sore, watery eyes

If you think you or your child may have measles, contact your GP practice.

Do not visit your GP practice or any healthcare setting, unless advised by a healthcare professional, because measles can spread to others easily.

Annual General Meeting

The AGM will be held on 18th January, 2024, from 6pm to 8pm at the Solihull Christadelphian Hall, Grove Avenue

See posters in surgery sites or SHP website for details.

There will be speakers from SHP who will give an overview of the plans SHP have for 2024.

Light refreshments will be available

Further details will be issued during January, 2024. Please email to the PPG email account shp.ppg@nhs.net and register your intention to attend to enable us to cater for refreshments Thank you

Visit the NHS Birmingham and Solihull website to find more information about measles and how MMR vaccinations can protect you and your family.
